

36th Polish Field Meeting 14th to 18th October 2009

Dear Falconers,

We would like to invite you to our annual 36th Polish Field Meeting that will be held in southern Poland from 14th to 18th October, 2009. The area is very picturesque and has a large number of hares, pheasants and partridges (in October only pheasants and partridges can be hunted). The field meet lasts 4 days (including 3 days of hunting) and costs approximately €150.

Attention!

To hunt in Poland the citizens of other countries must have a special permit issued by the Polish Ministry of Environment – such a license is obtained by our club for all the visitors with birds. In order to be able to do this, we need to be provided with a copy of your passport if you are interested in taking part in the hunt. Please email us and attach a scan of your document till 10th of September 2009 at the latest to
